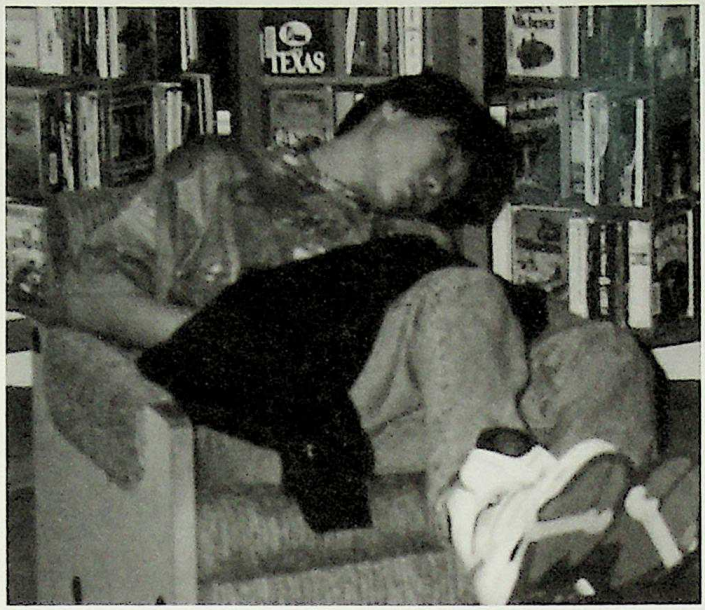
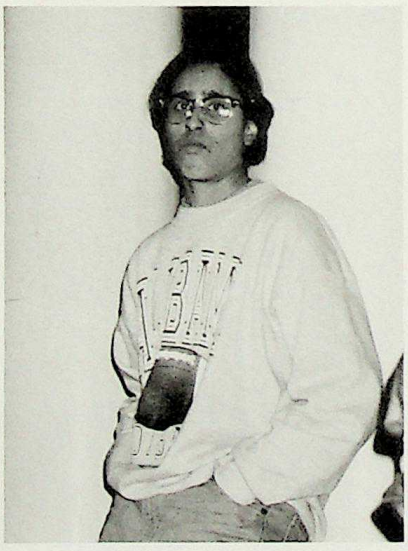
KIDS IN THE HALL

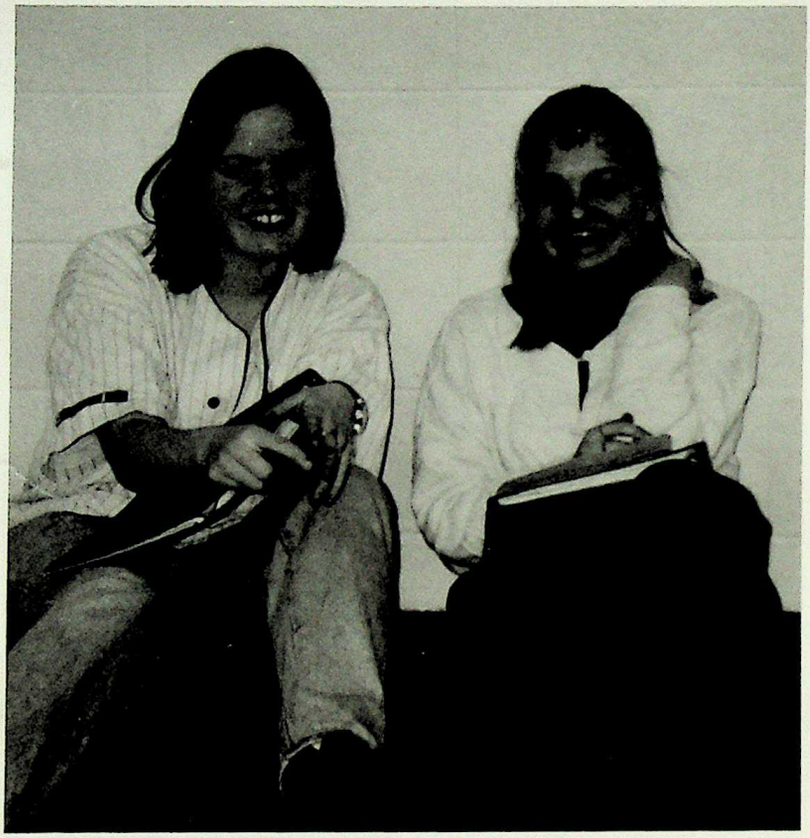


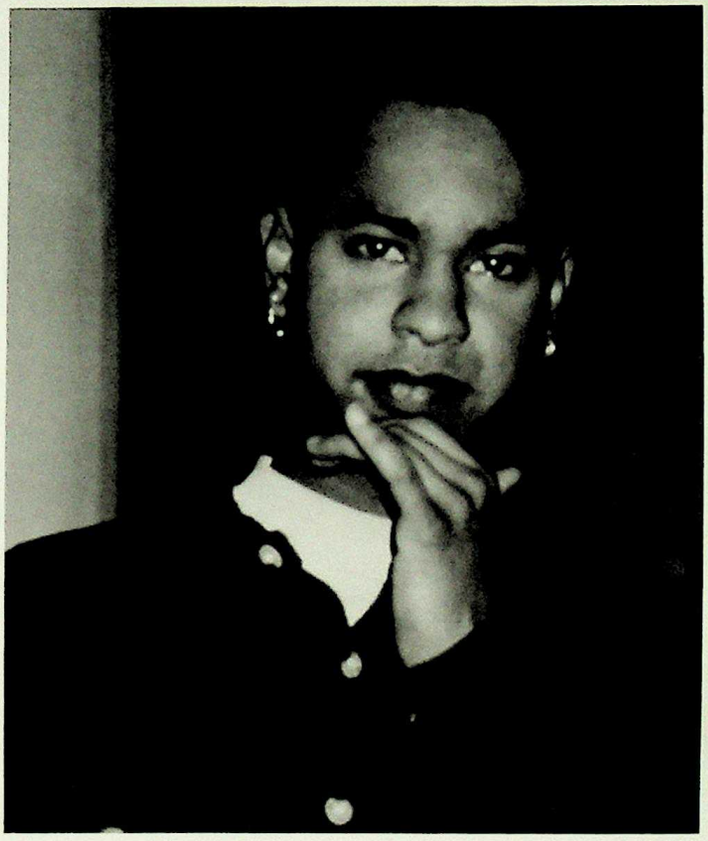


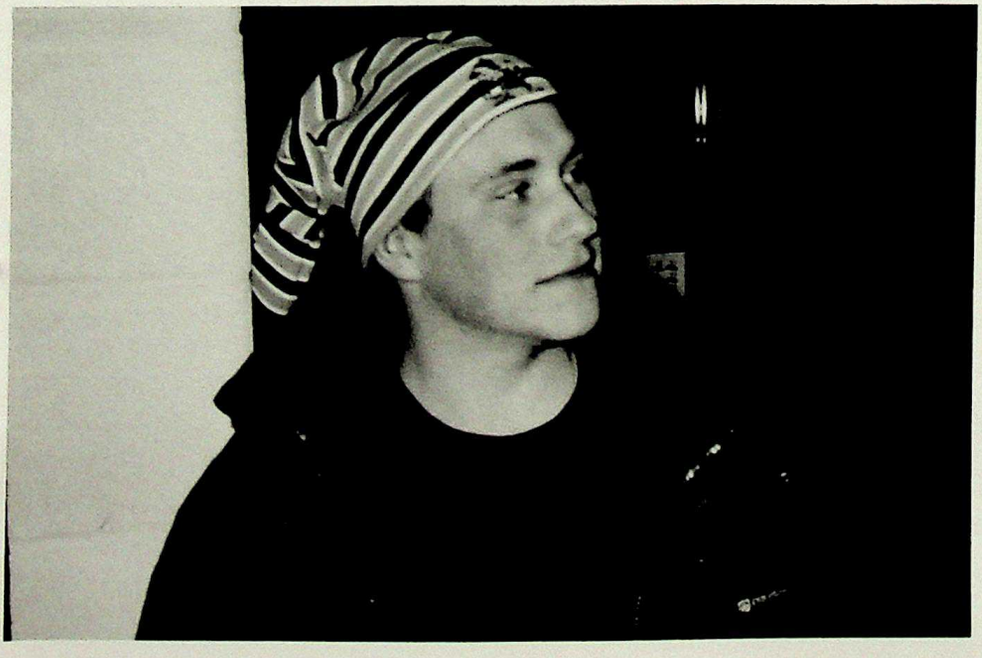
(Left) Everything was going okay until we told Jesse Anderson that she wasn't going to be the only one in the photo. Sharing the spotlight is Nicole Fraser, Lori Hamilton, and Shannon Macdonald.

(Middle Left) NOBODY'S FOOL! Stephanie Brant and Becky Matwichuk always find a hallway to study for their exams.

(Below) Rajpal Grewal gives the appearance that he is trying to think; however, everyone knows he is actually attempting to stimulate the growth of facial hair.

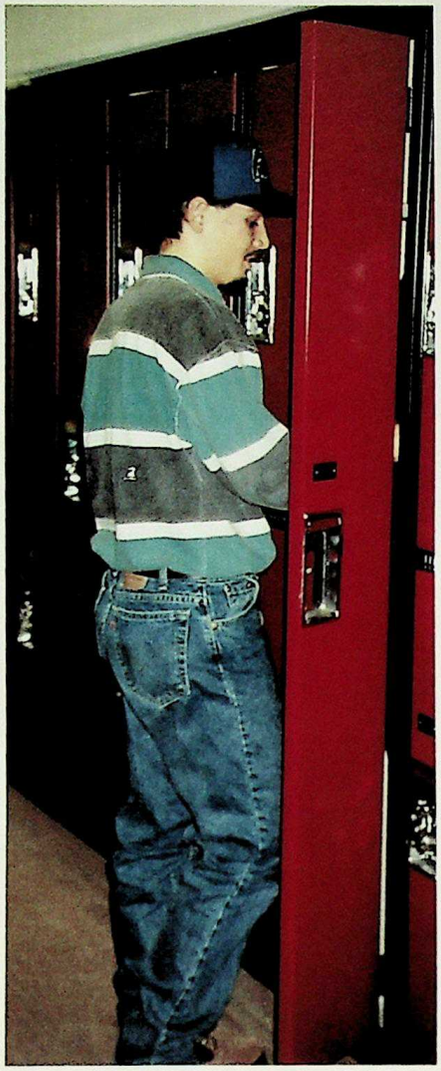


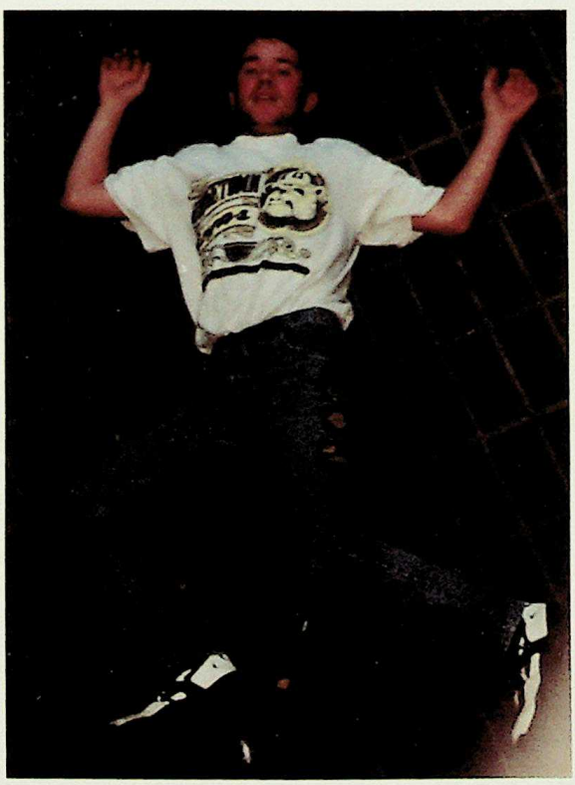




(Left) Rob Cooper always comes prepared for class with his touque. Pen? Paper? Do I need those too???

(Above) Maisha Shaw has mastered the art of saying "No" to drugs.





(Above) Ed Sparks visits his locker during class, or was it during a home-made spare?

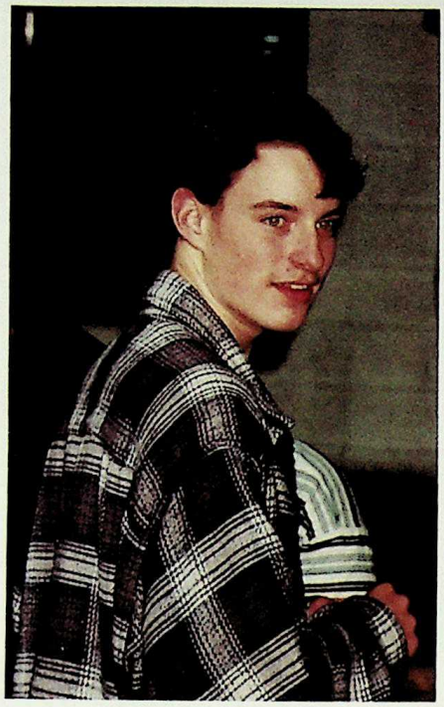
(Upper Right) Twister in the Pit during a student's union activity week.

(Center) I see you silly monkey! Stacey Keller gets a video of a yearbook photographer.

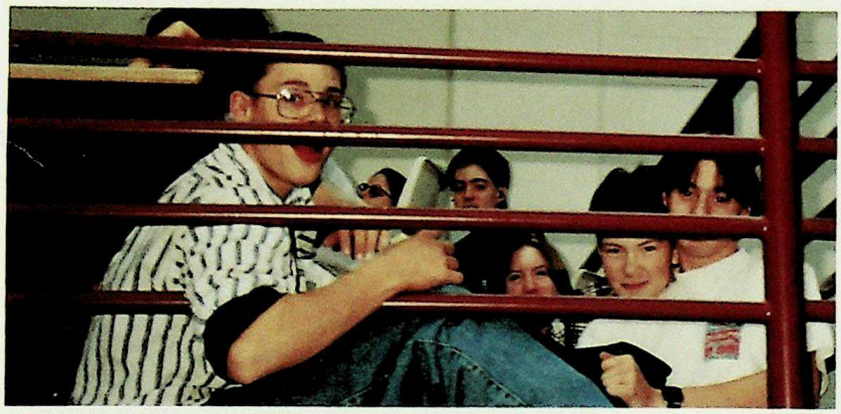
(Middle Right) I've overcooked the flour . . . Again! Cara Sullivan and the kitchen don't mix.

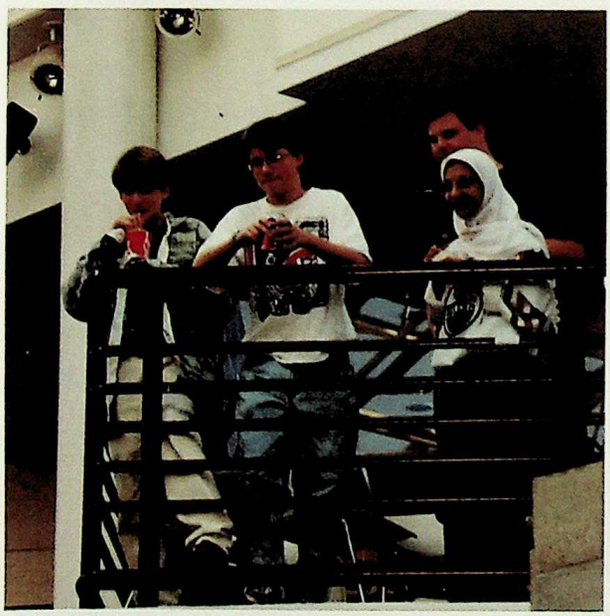
(Lower Left) I've fallen and I can't get up! Shane Walker lying on the floor of the pit.

(Lower Right) Christie James poses while waiting for a friend.



(Left) SPEECHLESS: For the first time ever, Fraser Cairns is caught without a thing to say.





(Top Right) HIGHER LEARNING: The only time students ever pay attention in school is when they're hanging over the pit to watch the Fun Fridays hosted by Students' Union.

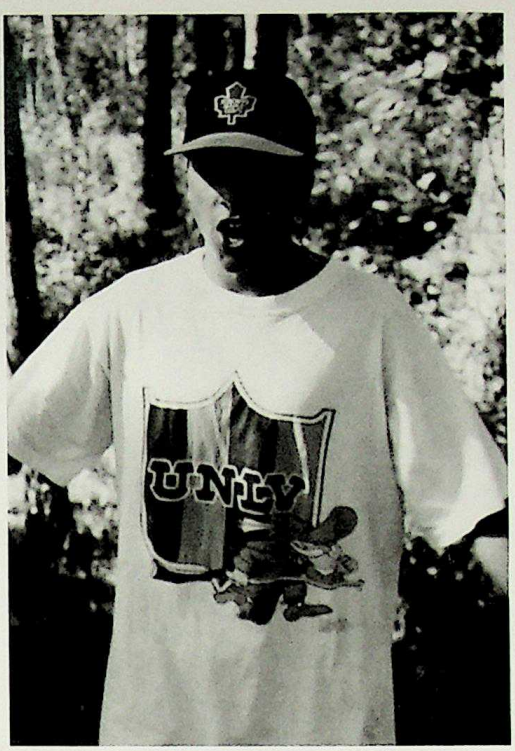
(Middle Left) For many students (and many staff members) Page often feels like a jail . . . or maybe, a mental institution (of sorts)

(Middle Right) TODAY'S SPECIAL: Alison Treichel enjoys pizza in the pit from Page's cafeteria

(Above) AS THE WORLD TURNS, Jared Otto, Randy Kelly, Darren Bath, and Salma Pardhan contemplate the physics involved in building Page

(Above) Dave Lavain has just discovered that his English essay, Social group presentation, math homework, are all due tomorrow.

(Below) THE YOUNG AND THE RESTLESS: Vanessa Talbot and Sarah Tiamiya, along with their friends from Holy Trinity, wander the school hallways as they anticipate the beginning of afternoon classes.



(Top Right) TARZAN?? No. But Mario Borelli is caught acting like an ape during a phys.ed camping trip.

(Right) HOT SHOTS! Paul Brown and Rob Fadun tackle each other during S.U.'s Pillow Fight.

REMAINS OF THE DAY: An example of what's left of students when they finish a day of classes.

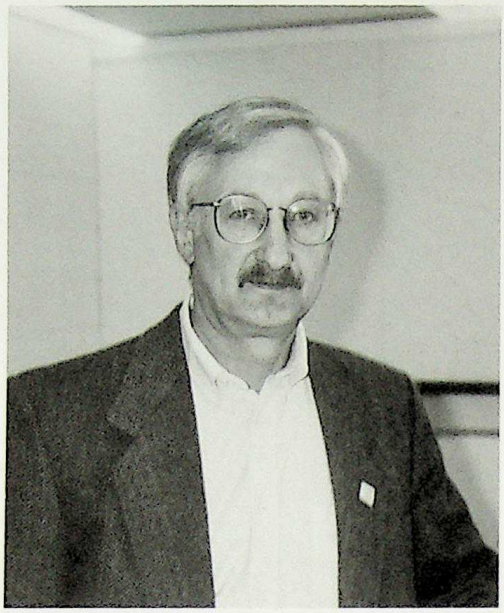
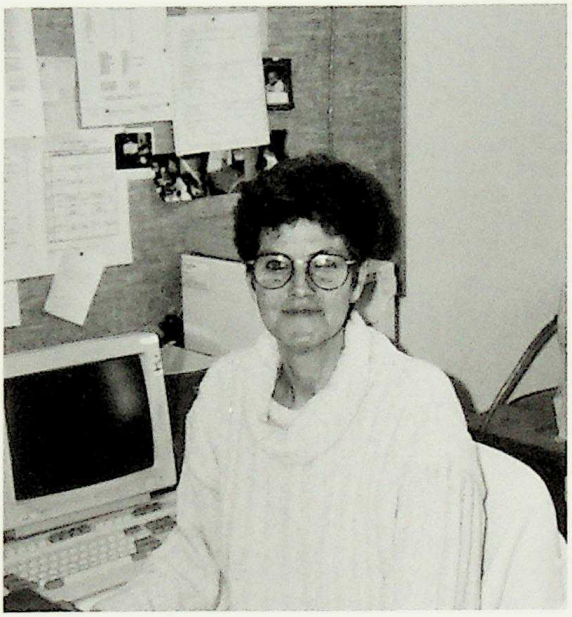
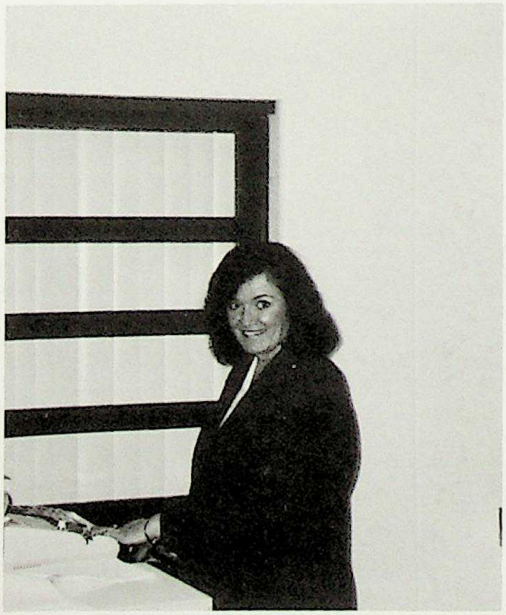
PAGEMASTER







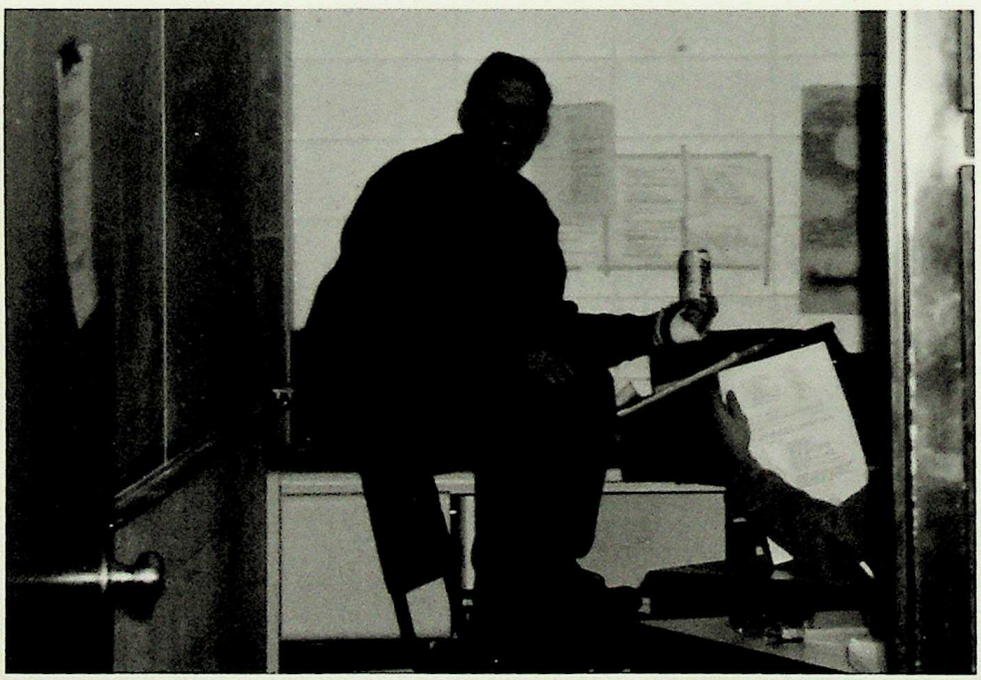
Mr. Lepatski's Message

1994 - 95 has been an exciting year and a year of unprecedented change in education. We have suffered through staff cuts, reductions in supplies and equiptment, and increased teaching and working loads. All this in the name of reducing the provincial deficit. We now have a new superintendent of schools, a unique method of funding school districts, fewer school boards in the province, sanctioning of charter schools, and the initiation of school councils. Funding of kindergarten has been reduced and the number of expulsions of students from the district is at an all time high. Education's focus throughout the province is shifting to implementing C.T.S. courses and the reporting of "grade level achieved" in each of the courses.

With all the changes at the district and provincial level, one must be thankful that some things have remained constant. We are thankful for having a wonderful group of talented and dedicated students, a most active student council, an incredible fine arts team, a caring and devoted staff, and supportive parents and community. We continue to excel in athletics, music, drama, and vocational education. Our academic achievements continue to improve.

Amidst all the changes, our staff have continued to work hard at providing Page students with the best possible and most varied educational experiences. Our hope is that students continue to do their part in benefitting as much as they can from Page's programs, and that together, we can make a difference.

WHO'S THE BOSS?



Clockwise from top left are some of Page's wonderful staff members: Mrs. Evans, Mrs. Burke, Mr. Maradyn, Mrs. Nugent, Mrs. Shewchuk and her student teacher, Mr. Zurawell, Mrs. Arnold, Mrs. Mackendrick, Mr. Barnes, and Mr. Degrande

WHEN YOU DON'T HAVE AN EDUCATION, YOU'VE GOT TO USE YOUR BRAINS.

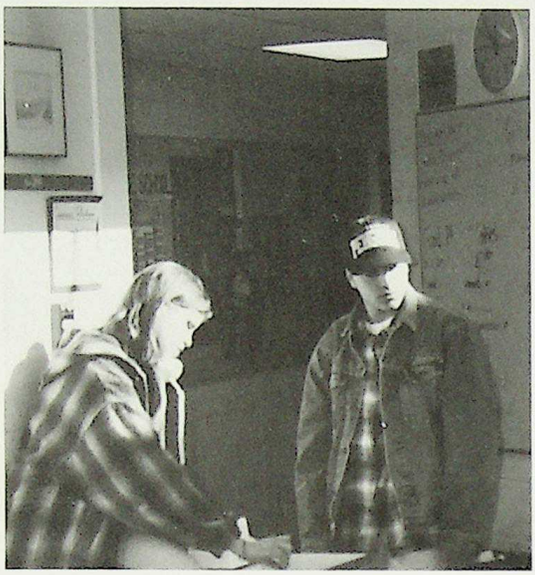
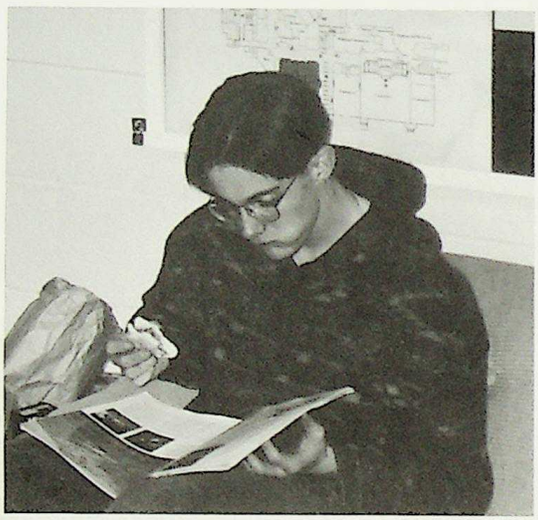
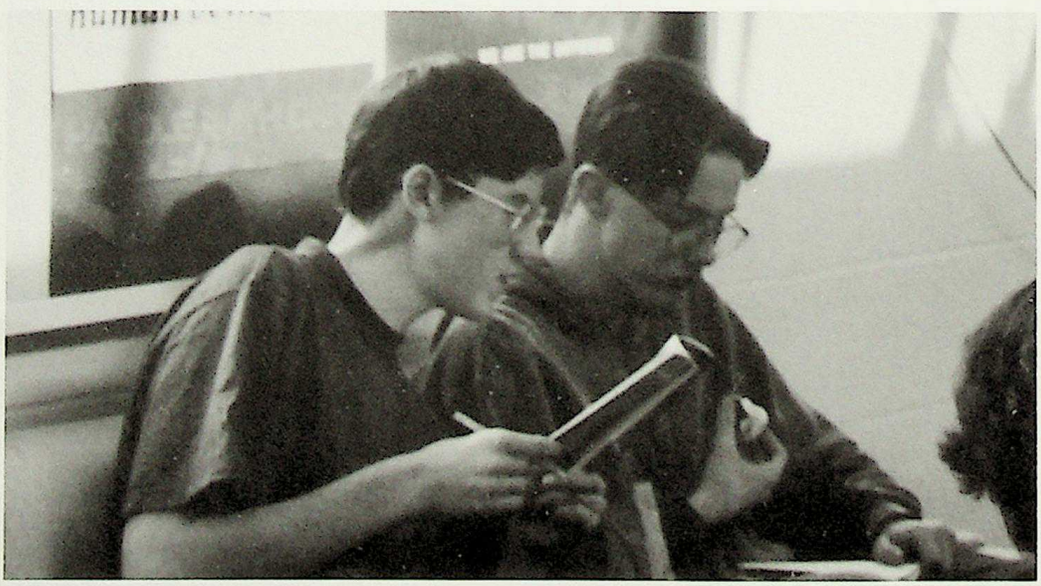
Cascade House







Mr. Norby's Message

When you prepare to leave school; when you graduate; you think of all the things you will take with you -- memories, knowledge, friendships and hopefully, a high school diploma.

Having reached a new maturity, you look forward to the next phase of your life. Will it involve post-secondary education, a job, new friends? -- all exciting prospects.

But, what did you leave behind in high school -- what legacy? Will other students and staff remember you as a contributer to the well-being of the institution?

And, what will you contribute to your future life endeavors? Do you have goals, objectives, a philosophy of life that will ensure that you make a meaningful impact on the lives of htose with wich you interact?

Perhaps the following may give you some food for thought about what you gain and what you leave behind as you move through life:

''To laugh often and much: to win the respect of intelligent people and the affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate beauty; to find the best in others; to leave the world a bit better, whether by a healthy child, a garden patch or a redeemed social condition; to know even one life has breathed easier because you have lived.

This is to have succeeded.''

-Emerson

In Memory of Grant Cunningham

1979-1995

I first met him in Grade 8.
He was nice.
He had a beautiful smile
that made his eyes dance.
He always laughed and
had something funny to say.
Tall tales he would tell,
with such a straight face,
you'd swear they were true.
He had a nickname for everyone,
and he had one for himself:
Acorn-Head.
We thought his head was
shaped like an acorn.
He was called Forehead later,
when he went to another school
for Grade 9.
It's Grade 10 now, second semester ...

Mr. Stevenson's Message

I participated in my weekly curling game last night. I guess this is what we males do as we get older, in an effort to say we still participate in sport. (Mr. Norby and Mr. Lepatski have curled for many years!) This particular game was interesting, in part beacause of the parallels between the game and today's world.

We fell behind early in the game. The chances for success looked bleak. Every time we gained, the opposition grabbed points right back from us. It began to look like our goal was beyond reach. My skip is a very positive person. He maintains that if we work and play hard consistently things will begin to go our way. On this night the team seemed to be less convinced that we could get to where we wanted. The skip, however, looked for oppertunities, planned strategy, and took some risks to keep us in the game. Yet when we finished the ninth end three points behind, victory appeared hopeless. We were frustrated at the lost opportunities.

We played out the tenth end, led by our experianced, never-say-die skip, and we left the ice at the end of the game winners by a point. We learned something!

No matter now bleak, how frustrating the economy and job oppertunities may appear, things can get better. Those who work hard, stay positive, look for oppertunities and pursue them with a plan will always have a chance to succeed. Whether leaving school and entering the work world or continuing with your schooling, I encourage you to stay competitive and always remain positive. You will make your own breaks and keep yourself in the game.

Mrs. Mather's Message

Wapiti House motto is 'Our Strength is People''. As I watch plans for the ''Taste of Page'' unfold and see students, teachers, parents and community members working together, I believe our motto is important because our worth is in our people.

We can bring so much to each other - teaching each other that the world is a place of many cultures and interests. At J. Percy Page we value our diversity. Our students, staff and community provide an educational synergy that is much more that the sum of its parts and we all benefit.

Our superintendent often refers to the African saying ''It takes a whole village to educate a child.'' Making connections between people, ideas, schools and communities is an important part of investing in our youth and bringing out the best in each other. It is these connections that will sustain us into the next century, not technology. Technology must not be used to promote empathy, co-operation and the values we uphold.

It is a privilege to be part of this synergy. Each one of you has made a difference, you are our future - our village. I hope you will maintain and strengthen the connections.

HOW TO LET OFF "STEAM" (POSITIVELY)

- Have a snack
- Hit something (preferably something soft, a pillow will do nicely)
- Slip in a CD, turn up the volume and dance around your room
- Close your bedroom door and scream until your lungs give out (if not your vocal cords first)
- Call someone who is a good listener
- Exercise, sweat it out (Eg. go for a jog, do aerobics)
- Watch a soap opera (and sob off your frustrations) or maybe a cartoon (and laugh until your stomach hurts)
- Put your feelings on paper or write a story full of nonsense (you can laugh at it later)
- Do your homework (never mind)
Note: If these don't work, see a psychiatrist....

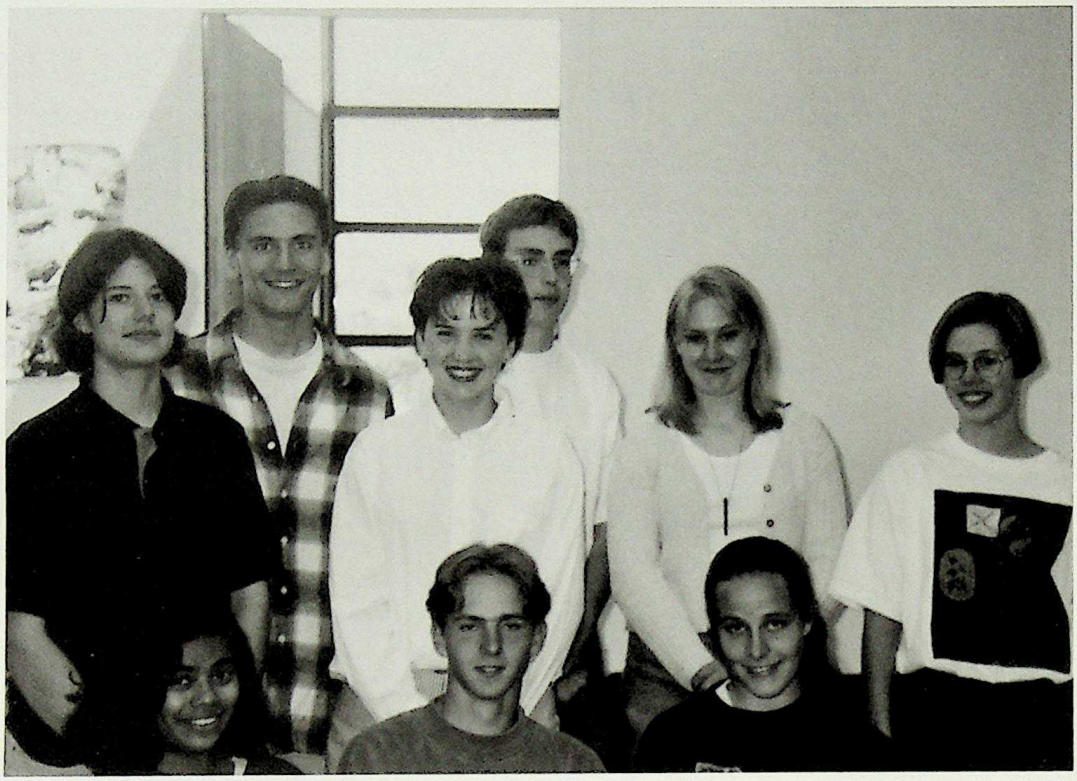
During the 1994-1995 school year, several Page students had the opportunity to participate in leadership conferences, student exchanges, and sports events across Canada. We would like to congratulate them and recognize their outstanding achievements.

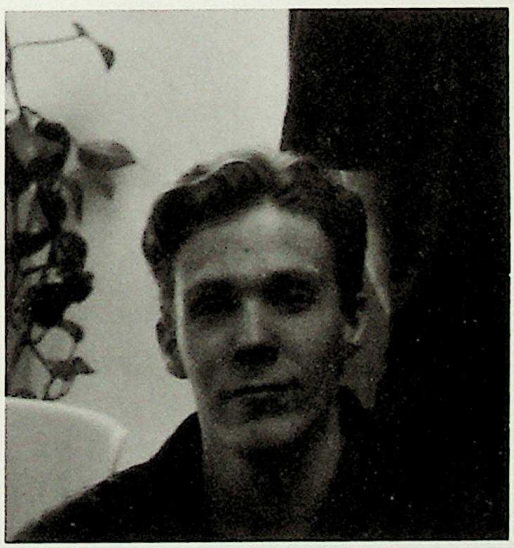
Conferences/Exchanges



Page salutes those students who took part in national conferences and exchanges this past school year.

Sophie Mathew participated in the Canadian Student Leadership Conference with Joji Varghese in September 1994, and in the Forum for Young Albertans (FYA) with Daryl Short. Brad Walker organised the first annual Taste Of Page festival which was held in the school in March 1995 to promote Canada's diversity. Three students -Carlee Jendruck, Jenny McLester, and Darcy Golden - were chosen to participate in this year's SUNIA conference. Kim Green, who was this year's S. U. Athletics Board Chairperson was sponsored to attend the annual Rotary Youth Leadership Assembly in May which took place in Athabasca. Two Page students had the opportunity to travel on student exchanges. Jennifer Piche was selected for the Quebec-Alberta exchange. She lived in Quebec from February to May. Her exchange partner was Julie Forte. Cameron Hiller was a participant in the Germany-Alberta Exchange. Page was also host to Quebec exchange student Veronique Nolin-Morin during the past year.

Athletics



There were many national athletics events which Page students had the opportunity to participate in. Michael McCarthy travelled to Charlottetown, P.E.I. during May to compete in the Canadian Juvenile National Volleyball Championships. He was a member on Alberta's team which took first place in the conference. Page students were also present at the Canada Games. Peter Heck and Blayne Iskiw played together on a curling team and earned bronze medals in their event. Also at the Canada Games, Michael Petrucha took second place in the fencing competition and Chris and Jon Godbeer won their competition in wheelchair basketball.

MATHEMATICS DEPARTMENT

The 1994-95 school year saw no changes in the math department staff. A total of ten teachers taught math and two of the math teachers (Mr. Pysyk and Mr. Takahashi) even taught some chemistry. So far there have been no explosions in the chemistry labs!!

There were some curriculum changes to senior math courses. Math 31 had the most drastic changes - Vectors are gone and more Calculus is in. This should be a major benefit to those students entering the fields of science and technology. Math 30 was also changed; the course content was decreased. A collective sigh of relief was heard throughout J. Percy Page when the Math 30 classes were informed that most of the statistics was deleted from the course. The Math 33 students were also smiling - the proposed diploma exam in Math 33 will not be in place until the 1995-96 school year.

The AC and AP programs continued to grow with large classes in Math 10AC, 20AC, and 30AC. The Math 31AP class grew from 18 in 1993-94 to 24 this year. The AP exam in May should again be a memorable event.

On behalf of the math department, I would like to wish all of the students at J. Percy Page the best in the future and hope that this has been a productive year with many memories which all of you will fondly recall in the future.

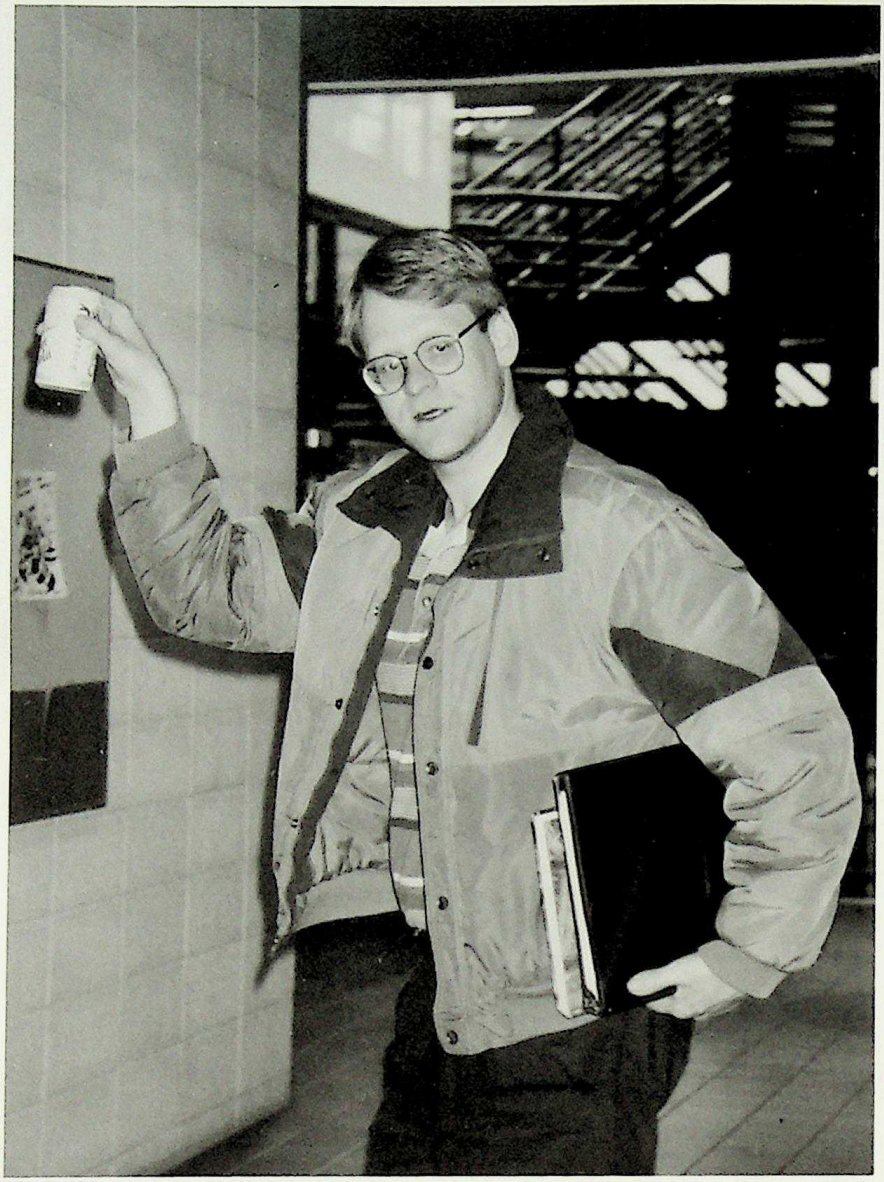
SCIENCE DEPARTMENT

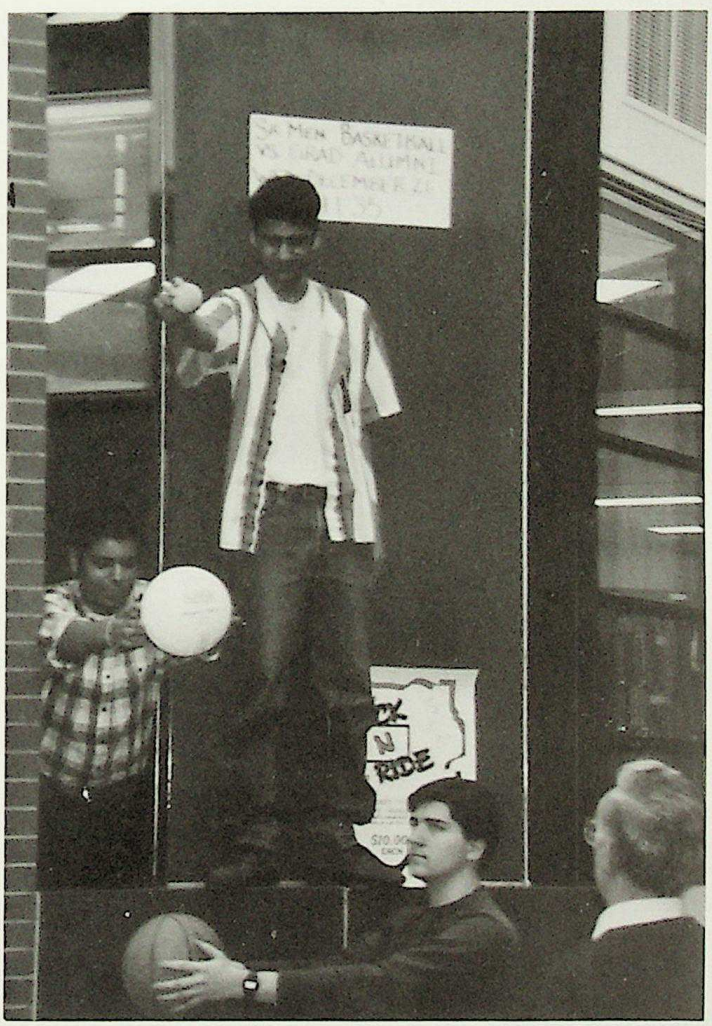


In the past year, several significant changes affected the Science Department. Most notably, since his retirement last June, Mr. Gainer is no longer department head. He is greatly missed by both the students and teachers. Mr. G. Buxton has taken over as department head. This year also saw the introduction of the "30" level courses, the end, finally, of the introduction of the new science curriculum. Mrs. W. Mather joined the department, and V. Pysyk and H. Takahashi returned to teach some science.

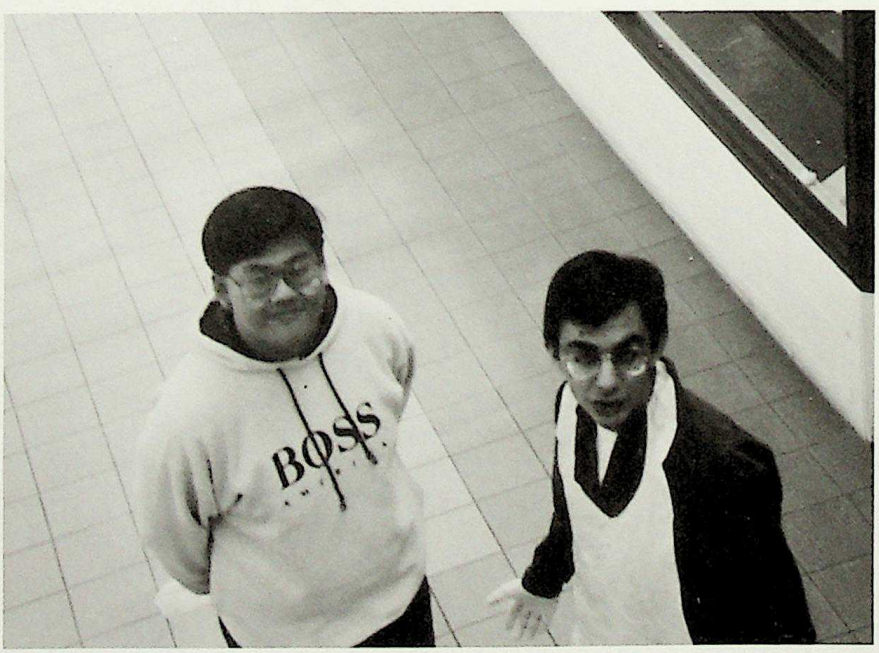
The other valuable members of the department included L. Barnes, C. Coultman, D. Degrande, L. Gaumont, L. Harris, F. Loehde, E. Lotz, D. Maradyn, L. Panylyk, and J. Zurawell.

Some things didn't change this year. Mr. Loehde still expressed strong opinions on most topics, Mr. Degrande still looked like Ritchie Cunningham, Mr. Zurawell still told bad jokes, and Mr. Lotz was still afraid of Mrs. Panylyk.

The Science Department hopes that you had a great year at Page, and wishes you all the best in the future.



Dinesh Patel, Sheetal Khera, and Dan Ross are directed by Mr. Loehde. They astound the pit people with a rather unusual physics experiment that actually managed to work with a tip from Mr. Maradyn.



Mr. Lotz practices for the tryouts for Coke commercials. (He's in competition with Mr. Degrande -Check out Page 18.)
David Lam and Steven Cheema are ready for disecting cows' eyes - gloves and aprons but none of those Chem. glasses that wreck their hair.

ENGLISH DEPARTMENT

Another successful year over! The 1994-1995 school year has been a very rewarding one at J. Percy Page. We began the year on a high note very encouraged by our successful results from June of 1994. Planning to build on these successes were an eager and commited staff:

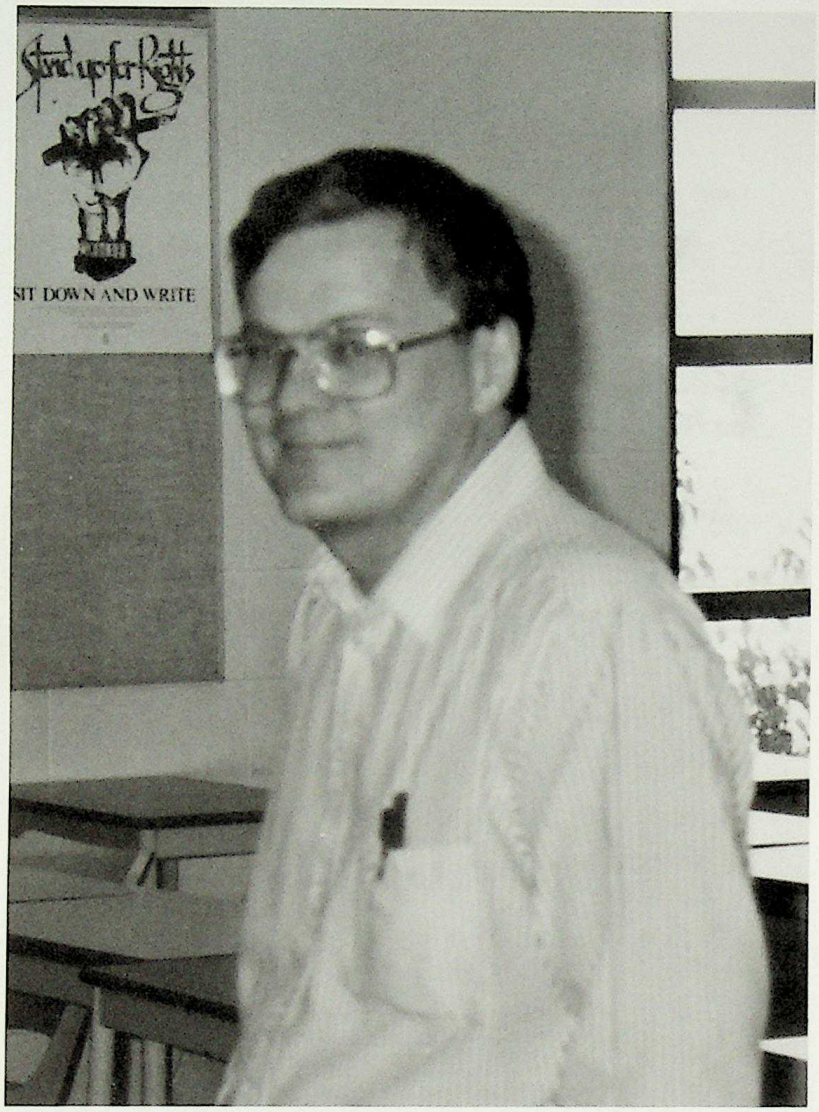
V. Arnold, C. Kemp,
M. Butlin, R. Long,
B. Conquest, G. Townsend,
L. Ewenson, B. Sparrow,
C. French, M. Woodward,
F. Iftody, V. Von Busse

The year saw the continued development of special programs for our students: our Work Study program began in Grade Ten, and our Academic Challenge program grew to four classes at three grade levels. Our fourth group of Academic Challenge students faced the highly regarded Advanced Placement Examination in English Literature and Composition - these students are to be commended for a commitment to an exciting and demanding program of studies.

Enrichment continued to be encouraged in all our English classes, and many of our students took advantage of opportunities to attend a variety of special productions: The Cherry Orchard at the Citadel, and the Maltese Bodkin at Chinook Theatre. Our students were also treated to visits by numerous speakers who shared their ideas on topics such as creative writing and mythology.

Throughout the year, the English Department has welcomed input into our various endeavors from the students, parents, and community. The support received from all people concerned with our English programs has been very gratifying and has allowed us to continue to build upon our successes. To our graduating students, thank you for being a part of our success!!

SOCIAL STUDIES DEPARTMENT



SOCIAL STUDIES SUMS UP THE YEAR

1994/95 was a good year to be in Social Studies at J. Percy Page. Students were offered much in addition to the prescribed curriculum of the courses.

Through the year, many speakers were invited to speak to students on social, political, and economic issues. Speakers included a Royal Bank representative on the Bank of Canada, a representative from the provincial government on the initiatives of the Klein government, and a speaker on the constitutional implications of Quebec separation. A very successful forum on changes to the Grey Nuns Hospital was held at the school in the fall. As this is written, planning is underway for a forum on the deficit at the school.

Outstanding Social Stuies students were selected to attend a number of forums and seminars sponsored by the school and various community organizations including the Alberta Teachers' Association.

Budget cuts have had a negative effect on the number of optional "extras" we could provide for students, but we hope that you have been challenged and stimulated in your classes. Many of you have certainly challenged and stimulated us!

Remember the Page students and staff who did outstanding work in operating the Supporters of Life social action club (SOL). Through their efforts in the thirty hour fund raising event, in the past four years, they have raised over $19,000 for relief of world hunger. Their concern and social action on environmental issues reflect well on themselves, the school, their teachers, and their parents.

The Social Studies teachers at Page hope you will maintain a life-long interest in politics and political issues. We have watched students grow through the years, both physically and mentally. We wish graduating students the best of luck in your futures. We will remember you with pride and hope you will return to visit and tell us of your successes. We look forward to seeing the returning students in September.

SOPHIE'S MESSAGE

Students' Union had a very successful 1994-95! Here are some of the many highlights:

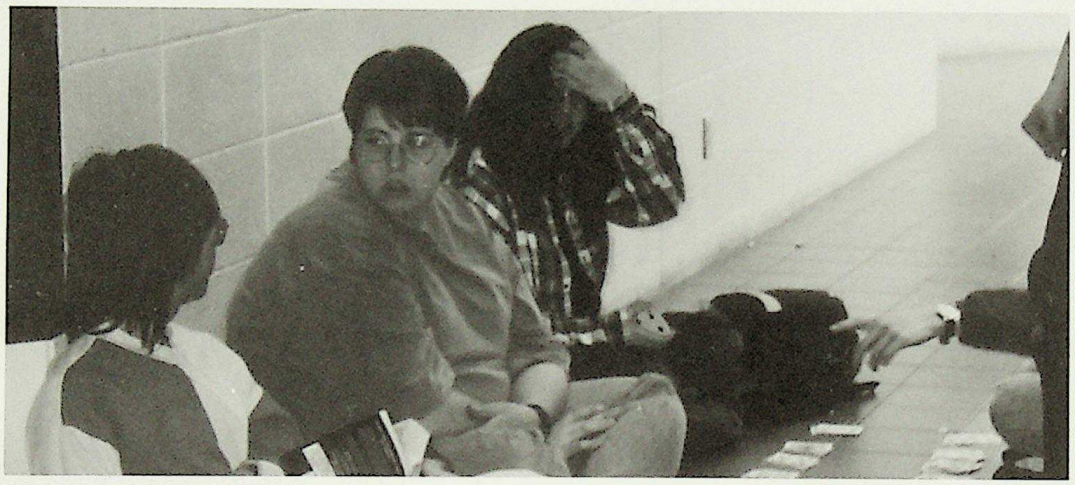
1) We made an official liaison with Grad Council and Yearbook. Now all student leadership organizations are operating together.

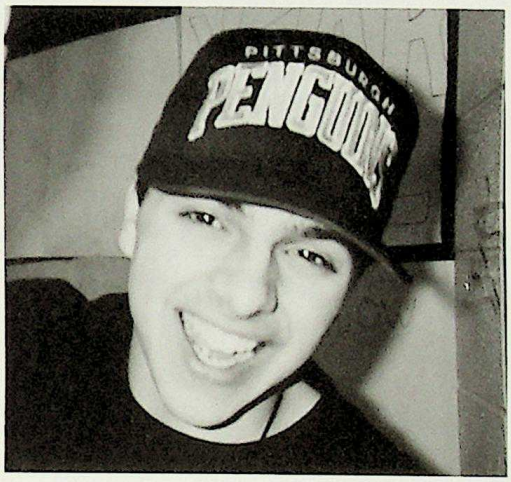
2) We started planning the 12th Annual National Student Leadership Conference with Harry Ainlay. This will take place in October 1996 and we're off to a great beginning.

3) We had our first, and perhaps annual, "TASTE OF PAGE" - This is J. Percy Page's mini-Heritage festival. What made Taste of Page so special was that it was totally student inspired, student organized, and student run. We can do it on our own!

CASCADE BOARD

Members of the 1994-1995 Cascade Board are Tracy Young, Jon Godbeer, Nicole Sharko, Rosana Poongavanum, and Tanya Reddick. The Chairperson was Daren Vishnu.





Carrie Jackson is Chairperson for Sunwapta Board and her board members are: Sherri Bonneux, Adam Leighton, Venita Kharbanda, April McLachlan, Shahzia Rhanji, Salma Pardhan, Lori Longhurst, and Suzanne Iskiw.

SUNWAPTA BOARD

Consider the postage stamp: its usefulness consists in the ability to stick to one thing till it gets there.
-Josh Billings

WAPITI BOARD

Wapiti Board included Kristal Tooley as Chairperson, Deepti Geevarughese, Fatin Sakkat, Praby Singh, Olatomi Idowu, Jessica McDonald, Joji Varghese, Shannon McCafferty, Levi Sharko, Brad Walker, and Tina Endols. Thanks to staff advisors Mrs. Arnold and Ms. Kemp.

SOCIAL BOARD

This year's Social Board was headed by Natalee Bennett. She chaired the meetings which were attended by board-members Lori Longhurst, Tomi Idowu, Shannon McCafferty, Daniel Richardson, Terrence Hawkins, Cory Lake, and Maisha Shaw

COMMUNICATIONS BOARD

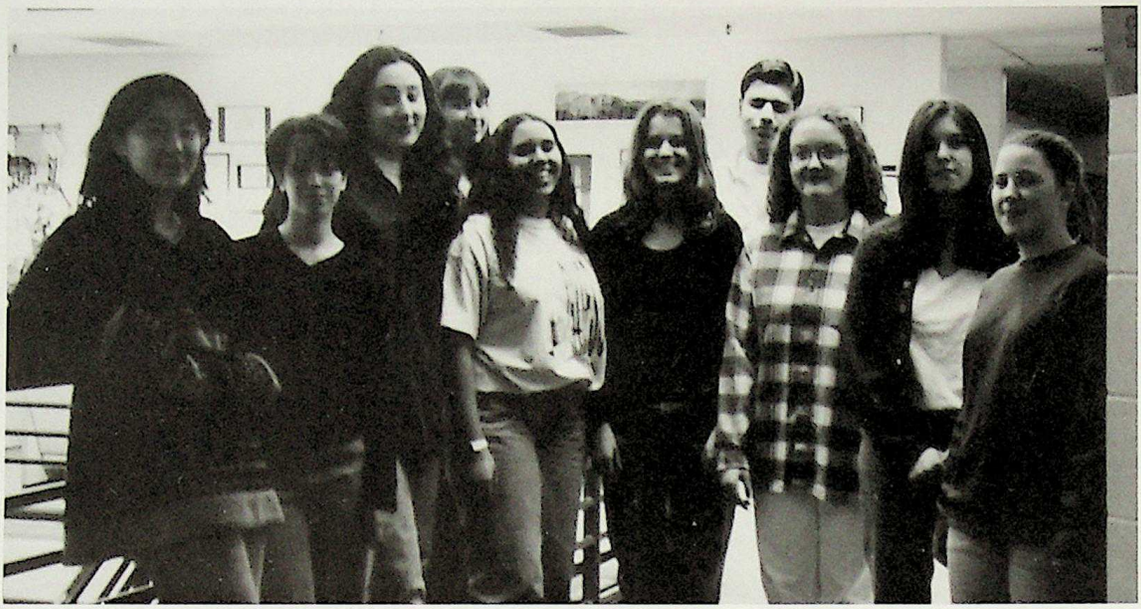
Communications Board was responsible for informing Page students of the events in the school with signs and posters. Robyn Jacobsen, Alison DeRussel, Fraser Cairns, Shannon McCafferty, Jessica McDonald, Randi Thornton, Tricia Aire, Sanjay Prasad, Michelle Ganske, and Jennifer Davidson are the board members who should be commended for a job well done.

Susan Pysyk (Chairperson) and Crissi Oliver, with help from Mrs. Wilson, Mr. Lepatski, and Constable McTaggert, were the only two Crimestoppers board members to survive a year of solving those serious crimes.

CRIMESTOPPERS

THEY ARE ABLE BECAUSE THEY THINK THEY ARE ABLE.
- VERGIL

INTRAMURAL BOARD



Intramural Board members were Julie Kolar, Doug Jensen, Lisa Benschop, Leslie Scott, Melinda Saunders, Keri Smith, Margaret Stepien, Jay Gomez, Bernie Arca, John Tran, and Kim Fraser.

ATHLETICS BOARD

Athletics Board, with Mr. Jensen as staff advisor, had many active board members. Chairperson was Kim Green. Other members included Ann Taschuk, Cory Allen, Mike McCarthy, Erin Armstrong, Lisa Beschop, Maisha Shaw, Desi Pryma, Kelly Young, Amanda Gangoso, John Hellweg, Blayne Iskiw, Tai Ly, Charles Shim, Ben Luchkow, and Helly Kim.

HISTORIAN BOARD

Shannon Holfeld chaired the meetings of the first J. Percy Page Historian Board. Her board members were April McLachlan, Jon Woodcock, Rory Wilkerson, Darren Bath, Lori Longhurst, Salma Pardhan, Chelsea South, Patti Wildy, and Missy St. John-Geary.

EDITOR'S MESSAGE

This was the first year that Yearbook was joined with Student's Union, which provided us with several different opportunities. First of all, we had more yearbook members because S. U. aided us in recruiting grade 10's. Our members were also able to gain work experience credits.

This yearbook would not have been successful without a lot of work by our staff. First of all, thanks to Chau Lam, Crystal Wittmeier, and Janice Leicht for sticking with me for 3 years. Crystal- I know you tried to get away after the first meeting in gr. 10. Chau- You do so know how to draw a layout. To the staplemaster, thanks for keeping the walls decorated - it was very interesting and helped us in Bio. 30. Thanks to the photgraphers Jeff Martinuk, Colin McCallum, and Nathan Wohglemuth; and to Kelly Harll who appeared every once in a while. Thanks to Tyler Bober who still hasn't finished the volleyball/basketball layouts. Thanks to Daren Vishnu for helping to write captions. Our grade 10 members were Jamie Gugyelka, Lindsey O'Daly, and Shirley Kurian. Thanks for the work you did. Thanks to Susan Suh, the S.U. Liaison, and also Veronique, the exchange student. The school secretaries deserve recognition for providing us with lists and all kinds of information and for putting up with us when we were trying to collect the Housemasters' Messages. Hey Janice - Did Mr. Norby e v e n write his? Thanks to the staff members who wrote the messages - we eventually got them all - I think - (Mr. Lepatski's was done 3 weeks early this year). Finally, we wish to thank Mrs. Curran for tackling the incredible job as yearbook advisor. Your time and effort is extremely appreciated. Good Luck next year.

Pamela Callum, Yearbook Editor

ADVENTURE CLUB 1994-1995

SKYDIVING

The fourth group of students from Page to take their First Jump Skydiving Course included (1st row, l to r)Mr. Loehde, Alex Cao, Chris Roersma, Levi Sharko, (2nd row, l to r) Ronnie Rampersad, Shane Brar, Steven Cheema, Sam Singh, (3rd row, l to r) Martin Petrucha, Hatem Abou-Elnour, Chris Moulden, Dallas Moulden, and Shane Coleman. (Missing: Aaron Bonko)

The course was offered by the ParaSport Skydive Center in Westlock on Sunday, October 9th, 1994. Students use square canopy parachutes for good directional control, and are guided back to the jump site by radio as they ''fly'' down from a height of about 1000 meters. This was Mr. Loehde's second jump -- other students went on to make additional jumps of their own throughout the year. Congrats to all jumpers!

KAYAKING

Keith Getschel, Matt Pawluik, Katherine Watanabe (from Vic.), and Mr. Fehler (l to r) were part of a group of 10 Page and Victoria Composite students and staff that took their Level 1 Kayaking Course from the University Paddler's Society. (Missing: Mr. Loehde)

The course was 12 hours long - the theory session ran at Page on the evening of Thursday, April 27th, following by two pool sessions on Friday evening and Saturday at Victoria Composite Pool. It was quite a workout! Although a group trip was not arranged for the end of the school year, graduates may take trips with the Society, or arrange a river excursion in the fall of 1995.

SCUBA DIVING

Nathan Johnston, Dallas Moulden and Chris Moulden joined seven others from Victoria Composite and Queen Elizabeth to take a 30-hour SCUBA certification course from SubSea Experience. The course ran Tuesdays and Thursdays from March 7th - April 13th, 1995. This is the third group of students to earn their SCUBA certificates with the Adventure Club. (missing: Mr. Balbar)

The course involved 15 hours of theory and 15 hours in the pool. Nathan, Dallas and Chris travelled to Jasper to do their ''Open Water'' training and certification dives on June 10th and 11th, 1995.

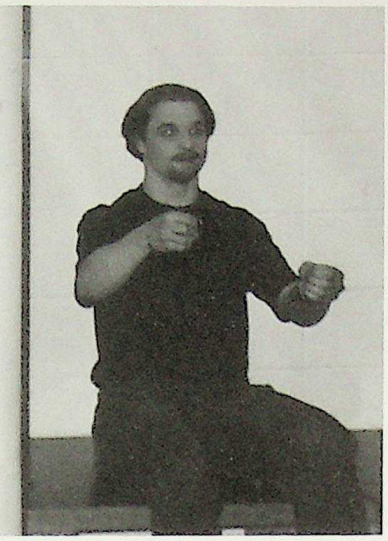
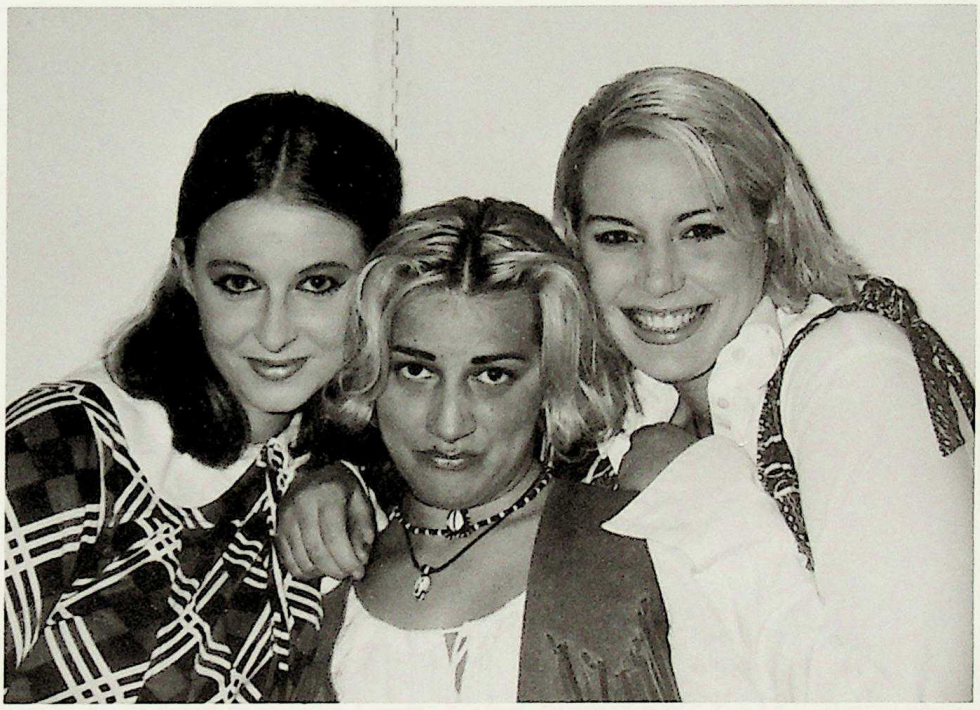
Drama

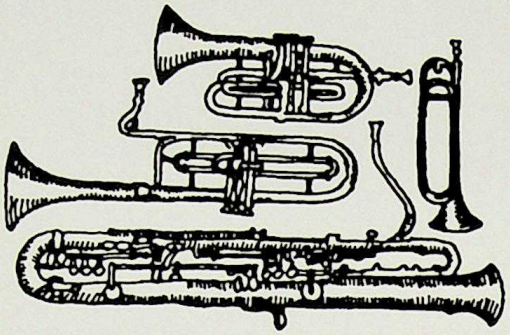
1994-95 was once again a busy and successful theatrical year for the Drama Department at Page. Many hours of energy, commitment and effort went into the year's performances - some of which were as follows:
SEPT: The Theatre Arts class helps to kick off the opening of the Bat display at the Provincial Museum with a performance and inservice for teachers and students.
OCT: The Page Players attend workshops at the Centre for Education and work with some of Edmonton's finest actors, directors, designers, and playwrights.
NOV: Drama and Dance students 'tech', crew and perform at Page's annual Remembrance Day Ceremony. Six plays were mounted by student-directors for evening performances at the ENCORE Festival adjudicated by Ms. Iftody and Mr. Kirchmeir.
DEC: The Page Players ham it up as elves and clowns at the Stuart Olsen Christmas Party.
JAN: A re-mounting of the student-written play "CATHARSIS" for an abuse conference at the Mayfair Hotel.
FEB: The Page Players once again perform - this time at the Board of Education's Assessment Forum at the Center for Education. "Bedtime Tales" Dinner Theatre produced and performed by the Theatre Arts thespians in conjunction with the Foods and Music Departments.
MAR: Open House: monologues, improv, scene work and dance demonstrations.
APR: ENCORE II One-Act Play Festival and the City High School Drama Fest

We hope that Page will once again represent Edmonton (as for the past two consecutive years) at the Provincial Drama Festival in Red Deer in May. If not, we have had tremendous support and rave reviews for our efforts throughout this year. Thank you to all for your applause! It is our reward, BUT good acting is not an ego-trip; it's generosity. - *R. Shewchuk*





The Sound of Music



This year the J. Percy Page High School Band has been granted an extremely high honour- they have been invited to participate in the international Youth Music Festival in Vienna, Austria-the City of Music. This is the most prestigious of all music festivals. Over 60,000 young musicians for 43 counties, representing every continent, will be participating in the Festival this year. Each band, choir or orchestra is invited to the festival by special invitation, based upon their reputation for excellence. The J. Percy Page High School Concert Band has been invited to complete in the July/95 festival. The band and concert choir, is the only group to be invited from Canada for 1995.

The opening ceremony is a mass concert of all the participating bands. Each band will perform individual concerts for the public on historic squares, in parks, and in various concert halls throughout Vienna and the surrounding towns,as well as enroute through Europe. In addition, they will be visiting many homes, and graves of composers such as Beethoven, Mozart, Schubert, and will be transported to Munich, Strasbourg, the Black Forest, etc.

The band will be in Europe for two weeks and, in addition to the competition, will be playing concerts in nearby villages.
In addition to this extra honour the J. Percy Page High School Band plays at Remembrance Day ceremonies, Graduation commencements, school musicals, Rutherford Awards, acedemic and athletic awards night, elementary school programs,the Millwoods Band Concert, and their own Christmas and Spring concerts.

1995 has proved to be the busiest year yet. Congratulations to a dedicated and hard working group of students.

Athletics

Panther Athletics has had another fine year. Over 20% of our school's students competed in 12 different sports on 23 different teams. Our volleyball and basketball teams had strong seasons. Track and field and cross country continued to grow. Cheerleading, golf, and curling also showed intentions of increasing their numbers. A disappointment was our inability to provide a swimming coach for an enthusiastic and committed group of young athletes but happily this problem has been rectified for the 1995 season. Badminton and womens team handball had solid seasons again. A bright spot this year was the significant rise in the number of athletes involved in soccer and rugby. A sincere thanks to all those people who gave up their free time to coach. I cannot tell you how much your commitment to our young people is appreciated. Increasingly, we are recruiting coaches who are not teachers - many of them former Page students. A special thanks to you. It is always gratifying to have someone come back and return something to our program. Finally to all of our athletes who trained hard and competed well: you have been fine ambassadors for our school. Congratulations.- Cal Jensen

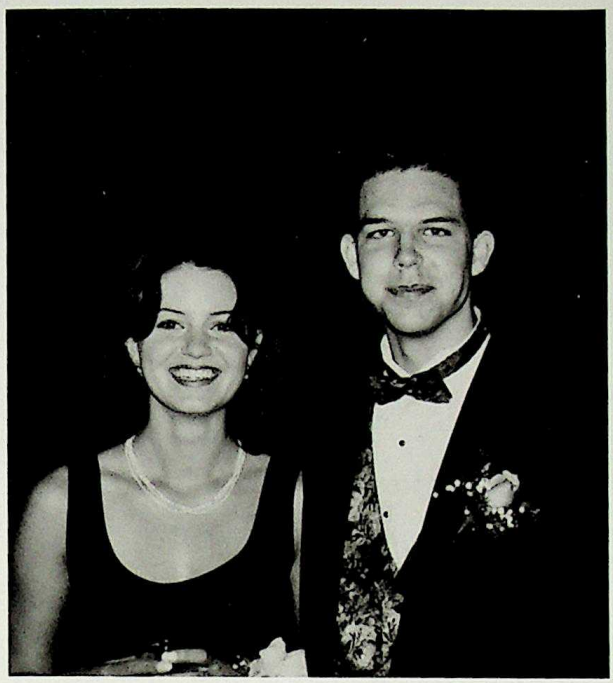
BEGINNING OUR NEW SEASON.



Mistress of Ceremonies

Good evening, honoured guests, parents, friends, staff and fellow graduands. I am Sarah Rashid and it is my pleasure to be the mistress of ceremonies in the commencement of J. Percy Page's class of 1995.

A class as diverse as ours is hard to describe. I've walked Page's halls for three years and I've always noticed the variety of personalities in the appearances of my fellow students. I've seen baggy clothes, tight clothes, -noserings, tatoos, -long hair, short hair... no hair, and those were just the teachers. The conclusion I've come to is that the more I try to define our class, the more I know I can't.

Perhaps this is the beauty of our generation, to do things our own way, differently than any before us, diverse and unique in our changing world. Page's grads have learned one thing for sure these past three years. Despite our differences, we all have the ability to adapt to the changing seasons in our own individual fashions. Tonight, with these ceremonies, we commence our new season and celebrate our diversity.

Class of...95

VALEDICTORIAN ADDRESS

Honoured guests, parents, staff, and fellow graduands: It is my pleasure to announce the winning of a great battle by the graduating class of 1995. Persistence, dedication, and hard work for at least 3 years at J. Percy Page has finally paid off: THE WAR IS WON AND SCHOOL IS OVER!!

When all of us walk upon the stage tonight to receive our diplomas, we must hold our heads high and be proud of what we have accomplished. Like Odysseus after the fall of Troy, we must be thankful for our glory while realizing that our journey is not over. The years at J. Percy Page have been memorable ones. Our experiences throughout high school are valued and remembered differently by each one of us. Some of us look back and see high school as a rich learning experience. Some see it as merely a social event and others are indifferent to the effects it has had on our lives. Nonetheless, these experiences have matured us and made us better people; people ready to conquer the obstacles of life that lie ahead. It is here at graduation, that these 12 years of learning are celebrated. The celebration commemorates an end of a battle fought in the name of our futures and rejoices a departure to Ithaca: THE REAL WORLD.

But do not fear, my friends. We are not journeying unprepared. Countless hours of work put in by our parents, teachers, coaches, and mentors have trained us for this much anticipated event. They have helped us to find the knowledge, confidence, and discipline needed to overcome the obstacles that await. We must thank them for their patience and make them proud by completing our journeys as fully functional human beings of the 21st century.

We are all capable of this feat. Our success is proven by graduating tonight. Our goal has been reached but we are not home to Ithaca as of yet. It is up to us, individually, to further prepare ourselves for our futures. We must venture out, set more goals, and strive to be the best persons we can be.

It will not be easy. The monsters that Odysseus faced still lurk about. Polyphemus, Circe, Charybdis, and the Sirens, all await to control our fates. We must apply what we have learned and know to overcome these obstacles and succeed. We are the adults that will welcome the coming of a new millenium and enter a world of advanced technology and science. The areas of learning are vast and the knowledge of the universe is greater than it has ever been before. It is not perfect, however, and it is up to us to continue its improvement. We must hold on to the hope and desire for an even better way of living and out do the generations past, thereby reaching the "DREAM OF SUCCESS." Public opinion and statistics tell us continually that, today, success is not as plentiful as it used to be. We have been labelled the "TV generation," the "X generation." I believe that these denouncements are just more obstacles to overcome as we journey throughout our lives. Success is truly in the eyes of the beholder. According to Ralph Waldo Emerson success is:

> *To laugh often and much; to win the respect of intelligent people and the affection of children; to earn appreciation of honest critics and endure the betrayal of false friends; to appreciate beauty; to find the best in others; to leave the world a bit better, whether by a child, a garden patch or a redeemed social condition; to know even one life has breathed easier because you have lived. This is to have succeeded.*

As we are often told, we are the holders of the future. The future is our destiny at the end of our journeys. As artists, scientists, mathematicians, philosophers, or anything we become - we will all travel the seas of life as little Ulysses'. In this we must live up to our name:

> *...we are,-*
> *One equal temper of heroic hearts,*
> *Made weak by time and fate, but strong in will*
> *To strive, to seek, to find, and not to yield.*

That passage by Alfred Lord Tennyson tells us we must persevere at any cost. This perseverance will help us reach our successes and shape our lives. With hope, innovation, and love all our lives can be molded into masterpieces where everyone reaches Ithaca as VICTORS.

GOOD LUCK TO YOU ALL!

THANK YOU.
